Student Accounts for Faculty & Staff

VCCS has activated a “student” account for all faculty and staff with Blackboard accounts. This will allow you to view your course as the student sees it. The benefits of this include:

- double-checking your course to ensure accuracy.
- demonstrating using Blackboard with students.

Access Your Student Account

1. Open a Chrome Incognito window using the keyboard shortcut: Ctrl + Shift + N or click on the hamburger button on the top right of the chrome browser and choose new incognito window.
2. Go to learn.vccs.edu
3. Enter your Blackboard username and add _student to the end
   a. example - KAJ444_student
4. Enter your Blackboard password
