

SOCIAL SCIENCES - Teacher Education Specialization

Associate of Science Degree

AL, AN, LO, MA, WO

Purpose: This curriculum prepares students to transfer to a 4-year college or university teacher preparation program. It is specifically designed for students who plan to seek endorsement and licensure as teachers in PK-3, PK-6, middle school, or special education.

Transfer Information: Several senior institutions in Virginia helped develop this curriculum and have agreed to accept all courses required by it. Some of these universities will guarantee admission to graduates of this program who have a cumulative GPA of at least 2.5, earn at least a "C" in all English courses, and pass the PRAXIS I exam. Students are strongly encouraged to take the PRAXIS I exam shortly after completing their English composition and math requirements. The student, working directly with an NVCC Teacher Education Specialization Advisor/Counselor, must complete a Transfer Letter of Agreement.
