

GENERAL STUDIES – Recreation, Parks and Leisure Studies Specialization
Associate of Science Degree

AN

Purpose: This program is designed to prepare students to transfer into baccalaureate Leisure Studies and Recreation and Parks programs and to prepare students for entry level employment in the profession.

Transfer Information: Students are advised to work closely with the faculty and counseling staff for program and course scheduling. Electives should be chosen carefully to meet requirements of transfer institution. The responsibility for proper course selection rests with the student. Students are encouraged to complete the A.S. degree before transferring.
