

PARALEGAL STUDIES

Associate of Applied Science Degree

AL

Purpose: The curriculum is designed to provide an individual with a sufficient level of knowledge, understanding, and proficiency to perform the tasks in meeting a client's needs which can be performed by a trained, non-lawyer assistant working under the direction and supervision of a lawyer. A legal assistant will have a basic understanding of the general processes of American law, and will have the knowledge and proficiency to perform specific tasks under the supervision of a lawyer in the fields of civil and criminal law. The occupational objectives include: employment in public and in private, both individual and corporate, law-related activities, organizations and agencies.

Recommended Preparation: Proficiency in high school English.

Completion Requirements: To remain in the program, students must complete each of the legal courses in the program with a C or better. No more than 50% of the paralegal studies credits required for the AAS degree program, approved by the American Bar Association, may be transferred from another college. Case-by-case exceptions may be made at the discretion of the assistant dean for paralegal studies.

Special Approval Status: The Paralegal Studies program is approved by the American Bar Association.
