**Total credits for the A.A. Degree in Liberal Arts with a Specialization in Speech Communication = 60.**

<sup>1</sup> Students completing the A.A. in Liberal Arts must demonstrate intermediate college-level (201-202) proficiency in a language other than English. The 201-202 courses require a prerequisite proficiency equivalent to the 101-102 sequence in the language. Placement testing determines initial foreign language level. Students completing 101-102 foreign language may use those credits to meet general elective requirements. Waivers or credit by exam (through CLEP) for previous experience is available for *some* languages. Students whose native language is not English may substitute general electives for foreign language upon the approval of the advising division chair.

<sup>2</sup> Any higher-level mathematics course may be substituted; see transfer requirements.

<sup>3</sup> The science elective may be selected from biology, chemistry, physics, geology, or natural science courses with a lab component, listed on pages 54-55. Some four-year colleges require a two-semester sequence.

<sup>4</sup> The PED requirement may be met by one of the following options: PED 116, 2 cr.; PED 116, 1 cr. plus a PED activities course, 1 cr.; or PED 116, 1 cr. plus RPK activities course. PED 116 is offered as both a 1-credit and a 2-credit course.

<sup>5</sup> ENG 125 may be substituted with the advice of a counselor or faculty advisor according to requirements of transfer institutions.

<sup>6</sup> Any 200-level literature course with an ENG prefix satisfies this requirement.

<sup>7</sup> HIS 101-102 or HIS 121-122 are recommended.

<sup>8</sup> The social science elective may be selected from the economics, geography, history, political science, psychology, or sociology (includes anthropology) courses listed on page 54.

<sup>9</sup> The humanities/fine arts elective may be selected from the list on page 54. Elective should be selected with advice of a counselor or faculty advisor to meet requirements of transfer institution.
