

Northern Virginia Community College 2008-2009 Catalog

COMMUNICATION DESIGN

Associate of Applied Science Degree

AL, LO

Purpose: The curriculum is designed for persons who seek full-time employment in the communication design field. The occupational objectives include graphic designer in the communication design marketplace.

Recommended Preparation: Proficiency in high school English and a satisfactory aptitude for drawing.

Equipment and Supplies: Communication Design students are required to purchase certain basic equipment and materials necessary to achieve professionally-oriented objectives. Most of the equipment is purchased in the beginning class (Introduction to Graphic Skills) and can be used throughout the two-year program.
