

## Northern Virginia Community College 2009-2010 Catalog

### BUSINESS MANAGEMENT:

#### Finance Specialization

Associate of Applied Science Degree

AL, AN, LO, MA, WO

*Purpose:* The specialization in Finance is designed to be broadly based and cover general concepts and principles as they apply to a wide area of finance including the financial management of business firms, real estate finance, international finance, personal finance, and securities investments. A graduate of this program will be competent for an entry level position in any of the financial services industries and will have the overall academic preparation needed to make it possible to advance to a higher level position.
