

Diagnostic Medical Sonography and Radiography Programs Grade Equivalents for CLEP, IB and AP Exam Credit

The Diagnostic Medical Sonography and Radiography programs require that applicants earn a B or better grade in the prerequisite courses to be eligible to apply. The NOVA College Records Office may award general CLEP, IB or AP exam credit for scores that meet a C grade or above. Applicants should not assume they meet the requirement because credit was awarded and should verify their scores meet the equivalent of a B or better grade to be accepted by the program. Scores equivalent to a C grade will not be accepted.
