

NOVA | Northern Virginia Community College Parking & Transportation

Daily Flex Bundle

Receive 8 days of parking for a reduced rate!

How does it work?

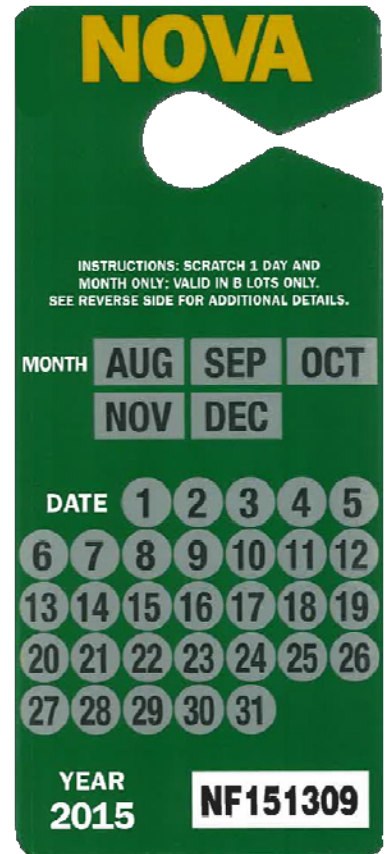

Students may purchase a bundle of 8 scratch-off hangtags at a discounted rate. The permits will be mailed to your home address within 5 to 10 business days.

Scratch off only a single month and day used per permit.

The Daily Flex Parking Bundle may be purchased online and must be done in advance of parking on campus.

If lost, these hangtags are not replaceable. All sales are final. Hangtags may not be resold or transferred. Failure to scratch off any month and day, or having multiple Days scratched, may result in a 'No Valid Permit Displayed' citation.

The hang-tag is also valid in the B lots at the Medical Education Campus and Annandale Campus garages.
