

START YOUR PATH IN INFORMATION TECHNOLOGY

NOVA is the Place!

There's never been a more exciting time to be a tech student at Northern Virginia Community College (NOVA). The **Information Technology (IT) A.S. degree** sets you up for a successful transfer to a four-year college and places you on the path to an Information Technology baccalaureate degree.

The IT Program

Offers a solid foundation into information and technology as well as providing valuable insight in determining your area of focus and next steps. With courses like JAVA or C++ Programming, Advanced Database Management and PC Hardware and OS Architecture, you'll gain the knowledge and exposure to guide your future.

Prepare for the Future

IT professionals are in high demand and essential to just about every modern business model. If a company relies on phones and emails, chances are there's an IT professional behind it all. NOVA has a growing list of four-year colleges accepting our IT A.S. degree for transfer. **Start your path in IT at NOVA today.**
