*For approved Mason Core courses, please visit - <https://catalog.gmu.edu/mason-core/>

**For approved Analytic Tradition, Continental Tradition, Ethics and Social and Political Philosophy, and Non-Western course options, please visit: <https://catalog.gmu.edu/colleges-schools/humanities-social-sciences/philosophy/philosophy-ba/#requirements>

***Philosophy electives may include those from other major requirements that are not used to meet another degree requirement. If both the analytic or continental philosophy and the ethics and political philosophy requirements are met with the same course, the student will complete six elective courses.

General Note: Students pursuing this degree must complete at least 33 credits within the major, earning a minimum grade of 2.00 in each course. At least 21 credits must be at the 300 level or above, including at least 3 credits in PHIL 421 Seminar (Mason Core)/PHIL 422 Honors Seminar (Mason Core). If a course counts for the requirement in analytic or continental philosophy, and also for the ethics and political philosophy requirement, then both requirements are fulfilled with that course.

For academic policies and procedures, please see Mason catalog - <https://catalog.gmu.edu/policies/>

Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation requirements
