## TECHNOLOGY DEGREE TOTAL

Denotes a course that must be taken at George Mason University. Please see your ADVANCE Coach to enroll.

#### Important Academic Information:

<sup>1</sup>Students who complete ENG 111 after Spring 2024 will earn ENGH elective for ENG 111 and ENGH 101 for ENG 112.

<sup>2</sup>Students must take both ART 199 and ART 299 to receive credit for AVT 202.

<sup>3</sup>When selecting co-enrollment courses, students should take care to select course(s) that are not equivalent to ART courses taken at NOVA. For instance, students should not take Painting I at both NOVA (ART 241) and through co-enrollment at Mason (AVT 232). Credit for the same course twice cannot be applied to the Mason degree.

<sup>4</sup>200-level ENG literature classes include: ENG 225, ENG 230, ENG 236, ENG 237, ENG 245, ENG 246, ENG 250, ENG 255, ENG 256, ENG 257, ENG 258, ENG 271, ENG 275, and ENG 279.

<sup>5</sup>For approved Mason Core courses, please visit - https://catalog.gmu.edu/mason-core/ . Students with a completed AS, AA, or AFA degree are eligible for a waiver of the Foundation and Exploration (lower division) Mason Core general education categories and this requirement may be waived. Students may still need general elective credit to reach 120 total credits. Please see your ADVANCE Coach for more information.

<sup>6</sup>For approved Foundation Electives and Concentration courses, please visit: https://catalog.gmu.edu/colleges-schools/visual-performing-arts/art/art-visualtechnology-bfa/#requirementstext

<sup>7</sup>Graphic Design concentration students must complete AVT 215, AVT 217, and AVT 252 or AVT 253 to fulfill their Foundation Elective requirements. Students should consult their Mason advisor to select the correct Foundation Elective course based on courses selected while at NOVA.

#### Additional General Notes & Resources:

• Undergraduate students earning CVPA degrees must earn a minimum 2.00 cumulative GPA in their major. AVT majors may not choose AVT courses to meet this requirement, and they may not double-count ARTH courses toward both the AVT major and the Mason Core arts requirement. AVT majors may not double-count ARTH courses toward both the Mason Core global understanding requirement.

• Students who complete a VCCS transfer associate degree (AS, AA, & AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.

• For academic policies and procedures, please see Mason catalog - https://catalog.gmu.edu/policies/

• Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
