NOTES:

- Hybrid courses will hold their exams based on the day of their FACE-TO-FACE meeting.
- Science courses with a separate lab session (e.g. BIO, CHM, PHY, GOL) will hold all lab exams according to the division lab schedule.
- Students who have exam conflicts should work with their instructor first, then – if necessary – the Associate Dean or Division Dean.
- Students with three or more final exams scheduled on the same day may request one of the exams to be rescheduled to the next day in consultation with their faculty. Alert faculty in advance of final exam week if you have this situation.
- Off-campus classes will hold final exams starting at their regularly scheduled class time.
