Seat Utilization by Discipline and Course at the Manassas Campus: Fall 2021

This report presents seat utilization rates by discipline and course at the Manassas Campus for Fall 2021. The seat utilization rate for each section is calculated by dividing the number of students enrolled in the section by the room capacity, or the number of seats that fit in the classroom. The data provided are unduplicated by class number. The following types of classes and sections have been excluded: cancelled classes; NOVA Online sections; off-campus venue sections; auditoriums or classrooms with capacity over 60; zero-credit labs; applied music courses (private lessons); music ensemble courses; and courses designated as internships, on-the-job training, or independent study.

Tables are presented in alphabetical order by discipline. In each table, the courses are arranged sequentially by course number. The sections are sorted in descending order of the seat utilization rate. Other information given for each section includes component (type of class—e.g., lecture, credit-bearing lab, etc.), room number, meeting days, start and end time, and number of empty seats.

The seat utilization rate is color-coded as follows:

0-32 percent - low utilization – Red

33-65 percent – medium utilization – Blue

Over 66 percent – high utilization – Green
