

INFORMATION TABLES AND OTHER ON-CAMPUS RECRUITMENT

Employers are invited to meet students and provide information about their companies and available job and internship opportunities. Employers who participate in on-campus or virtual events must be registered in [Career Connection](#), NOVA’s college-wide job and internships database. See below for instructions on how to register for an account.

Employers should contact the career services representatives on the campus/campuses with the geographic or academic area of study that is most relevant to discuss engagement opportunities at their location or virtually. Information tables may be available at the Alexandria, Annandale, Loudoun, and Woodbridge campuses on a limited basis throughout the year. Engagement opportunities vary by campus and program. Direct contact information for the campuses and primary programs of study for each campus are listed below. NOVA’s [Programs of Study](#) webpage lists all of the updated majors along with the campuses where they are offered. You may also check the [online event calendar in Career Connection](#) and the [College’s Event Calendar](#) for updates on upcoming career events hosted at different campuses.

ALEXANDRIA

Career Connection Employer Registration

If you have not already registered in Career Connection, NOVA’s job and internship database, please be sure to do so prior to requesting an on-campus visit using the instructions below:

Step 1: Log onto <https://nvcc-csm.symphlicity.com/> to access the Career Connection employers log in page. Select Employers as your user type.

Step 2: Create your Career Connection account by clicking on the Sign Up link.

Step 3: Complete the Employer Information and click on Submit to register your employer account. You can also post a job or internship at this point or do so at a later time.

Step 4: Congratulations! You have registered your account in Career Connection. Once your company has been verified by the NOVA Career Services staff you will receive an email with further instructions.

For assistance or questions about Career Connection contact novacareerservices@nvcc.edu .
