

Summer Career Check List

The summer is the perfect time to make sure you're on the right track for your career development. To get the most out of your summer, follow the steps on our Summer Career Checklist!

✓ Take Advantage of Career Connection

Jobs, internships, career events, and more will be posted throughout the summer, so be sure to continue logging into Career Connection to stay up to date.

✓ Update Your Information

As you finish classes, certifications, and degrees, be sure to update your career profile and your resume to reflect the education and experience you gained this year.

✓ Attend a Career Event

Just because the campuses are quiet doesn't mean we don't have any career events happening! Our team will be adding a variety of events throughout the summer.

✓ Research Your Industry & Expand Your Network

Take advantage of your downtime and continue to explore and research your industry of interest. Along with this, continue to make connections with employers, since you never know when they will come in handy.

✓ Stay Up to Date on Career Opportunities

Employers will be posting new opportunities throughout the summer, so be sure to stay up to date on new opportunities. One way to do this is to set up job alerts!

✓ Meet with a Career Counselor

Our Career Counselors will be available both virtually and in person throughout the summer to help you explore careers, review resumes, and more.
