

American Rescue Plan (ARP), 2022 Pub. L. 116-260

Quarterly Report to the Secretary for the period January 1, 2022 through March 31, 2022

Second Report for HEERF III

On May 12, 2021, NOVA was notified that we were receiving a supplemental award of \$39,982,491 pursuant to section 2003 of the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117-2) are governed by section 2003 of the ARP and section 314 of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) (Pub. L. 116-260) and the terms and conditions of the Supplemental Agreement attached to the Grant Award Notification P425E200306-20B Action Number 4. The student portion is to be awarded as additional Student Financial Aid Emergency Grants bringing the total of HEERF I, II, and III awards to \$60,011,195. The allocation formula for Emergency Student Aid funding to institutions of higher education was different than the formula stipulated in the Coronavirus Aid, Relief, and Economic Security Act (H.R. 748), also known as the CARES Act legislation. However, institutions are required to spend the same dollar amount on student grants under CRRSAA as they were required to spend under the CARES Act (HEERF I) and the CRRSAA Act (HEERF II).

ED guidance under the CARES Act (HEERF I) encouraged institutions to prioritize students with the greatest need in their awarding. CRRSAA law included a requirement to prioritize need. NOVA awarded first to applicants who had filed the FAFSA and indicated on their application a need to cover any component of the student's cost of attendance or emergency costs due to coronavirus, such as: tuition; food; housing; health care (including mental); childcare. HEERF III lifted most limitations and determined enrolled students eligible to receive funds.

CRRSAA language around reporting reads: "Recipient must promptly and timely report to the Department on the use of funds no later than 6 months after the date of this award in a manner to be specified by the Secretary pursuant to section 314(e) of the CRRSAA. Recipient must also promptly and timely provide a detailed accounting of the use of funds provided by this award in such manner and with such subsequent frequency as the Secretary may require. NOVA provided quarterly reports for January 1, 2021 through March 31, 2021, April 1, 2021 through June 30, 2021, July 1, 2021 through September 30, 2021, and October 1 to December 31, 2021 the Department and on our public website. This report is for January 1, 2022 through March 31, 2022 begins our activity regarding the awarding of CRRSAA Student Emergency Grants for 2022.

NOVA has until June 30, 2023 to distribute HEERF III funds. At the end of March 31, 2022, the first quarter of the 2022 calendar year NOVA awarded \$15,199,900.
