Occupations grouped by level of education typically required for employment (based on responses to the American Community Survey and education indicated in regional job postings). Openings represent the total number of online job postings for listed occupations (regardless of industry) from August 1, 2021 to July 31, 2022 in the NOVA region, as compiled by Burning Glass Technologies. Wages represent entry-level hourly pay for positions at the High School/GED and certificate/diploma levels, and average annual salaries for positions at the associate, bachelor, and post-graduate degree levels. Wages calculated by JobsEQ based on 2021 Occupational Employment Statistics data from the Bureau of Labor Statistics.
