

E-Summer Program @NOVA

Application now open for the E-Summer Program @NOVA

Sponsored by the Hispanic Association of Colleges and Universities and Dominion Energy, the E-Summer Program is designed to introduce students to the energy industry and the world of STEM. Rising high school juniors and seniors (with qualifying GPA or test scores) may apply. Students must be 16 years old by the first day of the class. Students will take two courses at no cost:

ENE 108:
Introduction to Data
Center Operations
(3 credits)

SDV-100:
College Success Skills
(1 credit)

Participants must take both courses.

Students will also hear from industry speakers, discover career opportunities, visit an energy facility and learn about NOVA resources.
Need more info? Email dualenrollment@nvcc.edu or call 703-503-6291.
