ASEZ	CW	ASEZ, which stands for "Save the Earth from A to Z" is a group of university student volunteers from the World Mission Society Church of God. Our aim is to invite everyone, especially young adults, to solve practical problems around the world. People are suffering from disasters such as earthquakes, volcanic eruptions, terrorist attacks, wars, and climate catastrophes caused by climate change. They are in need of our help as we are the light and the future of generations to come. As young adults and university students, we have the power to change present despair to future hope, and current frustration to future happiness. Along with volunteer service, we also hold bible seminars, forums, and studies about prophecies, history, science and how they relate to today.
