

**DISABILITY SERVICES: REQUEST FOR ALTERNATE FORMAT**

**To request PDF copies of your books, complete this form online and submit it to your Disability Services Counselor.**

	@email.vccs.edu	
Student's Name (Last, First)	NOVA Student Email Address	Student ID

If you are using Assistive Technology (i.e., screen readers, text-to speech) to read print materials (i.e., text book, lab manual, or other books used in class) you must obtain an alternate format. For information on the different ways to obtain alternate format copies of books, go to the link [How to Obtain Alternate Copies of Textbooks](#) at the Disability Services webpage.

If you are requesting alternate format from Learning Ally or Vital Source, or if you are purchasing an e-book, you may do so without this form. If you wish to obtain a **PDF** copy of your book, you **must** submit this form to your Disability Services Counselor.

Type or print legibly and fill in all fields. Use a separate form for each book. If books come together in a package, provide the ISBN from each book, **not** the package. We will be unable to locate your book without the specific ISBN.

In compliance with copyright laws, it is your responsibility to keep the original purchased book and to use the alternate format for personal use only. By submitting this form, you agree to these terms.
