

## Auditing a Class: Permission to Audit

- Senior citizens eligible for free tuition should use Form 105-088 instead.
- In order to audit a class (take the course without taking exams or receiving a grade), this form must be received in the Student Services Center on or before the Census Date (last day to drop with refund) for the class. Check the current *Schedule of Classes* for the correct date, or the instructions for finding the Census Date of a dynamic course.
- Tuition costs for credit or audit are the same. You will not receive a refund by changing to audit.
- Audit (X) is a final grade and will not be changed.
- Dual Enrollment students are not eligible to audit classes. F-1 students may audit as long as they are also enrolled for at least 12 graded credits.
- Changes to enrollment may affect benefits eligibility and result in financial liability for veterans and students receiving financial aid. Recipients of Veterans' Educational Benefits must notify the campus Veteran's Office of all changes in enrollment within 24 hours.
