Financial Aid: External Scholarship Guidelines

By the payment deadline for each semester (a published date for Fall, Spring and the Summer terms), students must either pay their accounts in full or show adequate financial aid and scholarships to cover their total bills; registered credit hours may be dropped from the NOVA system on that date if a student’s account is not paid. If you have been awarded a scholarship from an outside source and wish to have the award assist in paying your NOVA account, please note the following guidelines:

1. Carefully read the scholarship letter from the sponsoring organization to learn the requirements for your scholarship, and make a photo copy of the award letter for your records.

2. Turn in the scholarship letter to one of NOVA’s Campus Financial Aid Offices or mail it to: Scholarship Coordinator, College Financial Aid Office, Box 135, 8333 Little River Turnpike, Annandale, VA 22003-3743. Ideally, a scholarship award letter should be submitted to the Financial Aid Office at least four weeks before the first day of classes for the semester so that staff members have enough time to process all letters.

3. Complete the admission process for Northern Virginia Community College. Your scholarship award cannot be entered as financial aid until you have been admitted to the college.

4. See a counselor at your home campus to declare a major.

5. Register for classes. Some scholarship donor organizations require the college to bill them for the tuition. Billing amounts cannot be determined until you have enrolled in classes. If a scholarship award letter that requires billing is not received by the Financial Aid Office at least one week prior to the beginning of classes, you must pay your total bill; you will later be reimbursed for the amount you qualify for when scholarship funds are actually received by the college.

6. Make sure that the scholarship sponsor sends all scholarship checks to:

   Scholarship Coordinator
   College Financial Aid Office, Box 135
   8333 Little River Turnpike
   Annandale, VA 22003-3743

7. Classes not paid for by the payment deadline are normally dropped from registration. When a scholarship letter indicating an award sufficient to cover your total bill has been received by the College Financial Aid Office, you will be given until one week before classes begin to get all scholarship checks to the college and applied to your student account. All holds are removed at that time, and students with unpaid bills may have their registrations dropped. If the total of all scholarship payments received is not adequate to cover your bill, you must pay the difference or your classes may be dropped for nonpayment. Students with scholarships that require billing will continue to have their registrations held as long as the total bill is covered and the award letter is received at least a week prior to the term.

8. As long as you maintain eligibility, you will be reimbursed for any scholarship amounts that are received after your bill has already been paid.

We strongly encourage you to complete the Free Application for Federal Student Aid (FAFSA) at https://fafsa.ed.gov with NOVA’s school code (003727) and check your myNOVA “To Do List” to determine if you qualify for additional financial aid. Please visit http://www.nvcc.edu/financialaid/apply/ for more information about applying for aid.

Any questions may be directed to one of NOVA’s Campus Financial Aid Offices or the Financial Aid Support Center at 1-855-323-3199.
