I understand that I can receive aid at only one institution during an enrollment period. I will not be awarded financial aid at NOVA until all aid awarded at other institutions has been cancelled and any open loan periods at other institutions have been adjusted.

I understand that I must complete the verification process, if applicable, in a timely fashion by completing the online verification interview and by submitting all requested documents at [sscpw.org](http://sscpw.org). I will monitor my accounts until financial aid is awarded.

I understand I will have to make other payment arrangements for any registered classes until financial aid is awarded.
