

## Financial Aid: Identity and Statement of Educational Purpose

Under normal circumstances, students who are required to verify their identity and sign a Statement of Educational Purpose would be required to appear in person at a campus financial aid office in order to present valid and original government-issued photo identification and sign the Statement of Educational Purpose. However, the in-person submission/notary requirements for this form are suspended until the end of the payment period that begins after the date on which the Federally declared national emergency related to COVID-19 is rescinded. You still have the option to submit this form in person at a campus financial aid office during [normal business hours](#), or alternatively, you may do the following:

1. Provide a clear and legible copy of your valid government-issued photo identification (ID) such as, but not limited to, a driver's license, other state-issued ID, or passport.
2. Complete the Self-Attestation and Statement of Educational Purpose provided below. Note that you must print this form and physically sign your name on the "Student's Signature" line below. Unfortunately, an electronic signature is not acceptable for this form.
3. Submit this form with a copy of your valid government-issued photo ID to the [24-Hour Student Support Center](#) as explained in the tutorial at <https://www.nvcc.edu/forms/pdf/125-396.pdf>. Please submit all documents at one time.

### Self-Attestation
