

## Financial Aid: Verification of Immigration/Citizenship Status

Under normal circumstances, students with an unconfirmed citizenship/immigration status would be required to present original and official citizenship/immigration documentation in person at a campus financial aid office. However, the in-person submission/notary requirements are suspended until the end of the payment period that begins after the date on which the Federally declared national emergency related to COVID-19 is rescinded. You still have the option to submit this form in person at a campus financial aid office during [normal business hours](#), or alternatively, you may do the following:

1. Provide a clear and legible **copy of original and official immigration/DHS documentation** that confirms your immigration or citizenship status. Please review the [Acceptable Documentation to Confirm U.S. Citizen/Eligible Non-Citizen Status Form](#) for a list of acceptable documents.
2. Complete the **Self-Attestation provided below**.
3. **Submit this form with your immigration/DHS documentation to the [24-Hour Student Support Center](#) as explained in the tutorial at <https://www.nvcc.edu/forms/pdf/125-396.pdf>. Please submit all documents at one time.**

### Self-Attestation

I certify that I, (print student's name) \_\_\_\_\_, am the individual signing this Self-Attestation and that the documentation I am submitting with this form is a true and accurate copy of my original and official immigration/citizenship documentation. If I purposely give false or misleading information, I may be fined up to \$20,000, sent to prison, or both. I also acknowledge I may be asked to present my original documents at a later date.
