

Application Deadline – January 31, 2023

OVERVIEW

Like Singapore and Hong Kong, Cyprus is a financial and business hub, with over 70% of the economy focused on services. The country hosts the financial infrastructure for thousands of multinational companies due to its stable and modern legal and tax environment, highly educated workforce, and excellent quality of life. It has the world's highest per-capita rate of chartered accountants and has one of the most developed tourism and maritime infrastructures in the world.

Students will study at the University of Nicosia (UNIC) which has a student body of 14,500+ students. TIMES Higher Education has ranked UNIC # 1 in Greece and Cyprus for Business and Economics and top 100 in the EU.

This program combined academics with full cultural immersion through day and weekend excursions throughout the island.
