

Application Deadline – January 31, 2023

OVERVIEW

 A practical filmmaking experience for NOVA students in an international setting that offers instruction with award winning filmmakers and access to state of the art technologies in the field. Students will receive instruction in master classes, such as: Cinematography, Color Grading, Art Direction, Production Design, Lighting, Sound Recording, and Animation. Collaboration with Czech students on film projects, both on location and in studio. Learn cultural impact of European cinema on modern film and apply theory to production work. Cultural enrichment through exploration of Czech country, customs, and history in organized tours, events, and networking opportunities.
