

Change Personal Information/Addresses & other personal information

Note: VCCS has created some address types that you may not change. This is true for other types of personal information. You can also maintain other personal information at this site.

1. Log into MyNOVA; click VCCS: Student Information System.
2. Click Self-Service; click Campus Personal Information
3. Click Addresses

4. To correct or change your address, click the  button
5. To add an additional address, click the  button
