

## SIS Basics- Using Effective Date

Overview: The Effective Date on a page shows when a particular change to the data was made.

Academic Career: Credit [Career Requirement Term](#) Student Career Nbr: 0

Find | View All First 1 of 2 Last

Status:	Active in Program	Effective Sequence:	0
*Effective Date:	05/15/2005	Action Date:	10/25/2004
*Program Action:	PLNC Plan Change	Joint Prog Appr:	<input type="checkbox"/>
Action Reason:			
*Academic Institution:	NV280 Northern Virginia Comm College		

Note: In this example, the student's record has two rows. The most effective dated row (row 1 of 2) is dated 5/15/2005. That is the last date a change was made to the record. To view the data on the other rows, click the scroll arrow to navigate through the other pages.

Note: See SIS Basics-Update/Display or History or Correct History
