

Calculate Anticipated Aid Based on Actual Enrollment

Why Should I Review My Anticipated Financial Aid?

If you are awarded financial aid before the semester begins, your award will be based on anticipated full-time enrollment in at least 12 [eligible credits](#). If you choose to enroll in less than 12 eligible credits, your financial aid award may be adjusted. Please follow the steps below to learn how to view your financial aid based on your current enrollment.

Log In to Your MyNOVA Account to View the Anticipated Financial Aid

Step 1: Log in to NOVA Connect by clicking on MyNOVA on the NOVA home page: www.nvcc.edu

Step 2: Click on VCCS SIS: Student Information System

- Click on Self Service
- Click on Student Center
- Scroll down to the Finances tab and click on Account Inquiry

The screenshot shows the 'Finances' section of the MyNOVA account. A blue bar at the top contains the word 'Finances'. Below it, the text reads 'Northern Virginia Comm College'. There are several links: 'My Account', 'Account Inquiry' (circled in red), 'Apply for Payment Plan', 'Financial Aid', and 'View Financial Aid'. A message box states 'You have no outstanding charges at this time.' At the bottom, there is a dropdown menu with 'other financial...' and a search icon.

Step 3: Click the yellow button that reads, “CLICK HERE to see Pending Financial Aid Based on Actual Enrollment”

The screenshot shows the 'Account Summary' page. It features a table with the following data:

What I Owe						
Campus	Term	Outstanding Charges & Deposits	Pending Payments	Pending Financial Aid	Total Due	TMS Payment Plan
Northern VA Comm College	2016 Fall			400.00		Apply TMS Payment Plan / Turn Off Popup Blocker
Northern VA Comm College	2017 Spring			2,908.00		Apply TMS Payment Plan / Turn Off Popup Blocker

Below the table, there is a note: 'Currency used is US Dollar.' A yellow button with the text 'CLICK HERE to see Pending Financial Aid Based on Actual Enrollment' is circled in red. At the bottom, it says 'Pending Financial Aid Last Update/Time 09/11/2015 12:01AM'.

Important Notes:

- If your pending financial aid is less than your [total charges](#), please pay the remaining balance by the [payment deadline](#).
- Classes that do not apply to your degree or certificate are not eligible for financial aid and are not included in the pending financial aid calculation.
- Pending financial aid will not be credited to your account and actually reduce the “Total Due” shown on your account until it is disbursed. This typically occurs approximately 2-3 weeks after the [term census date](#) if you have attended at least 6 eligible credits past the session census date and assuming you do not have any holds or incomplete To Do List items on your myNOVA account that prevent disbursement.
