The Peter Raudenbush Pathway Scholarship
This prestigious scholarship is available to outstanding students in good standing with the Pathway to the Baccalaureate Program. Students must maintain a minimum cumulative GPA of 2.5 and enroll full time each semester. Students must also be working toward an A.A, A.S., or A.A.S. degree.
Number of awards: 2
Value of each award: $1500

Professor Richard D. Semmler Pathway to the Baccalaureate Service Scholarship
This scholarship is open to Pathway students who demonstrate a commitment to serve others. Pathway students in general are the recipients of ongoing support and encouragement throughout their college careers. This scholarship rewards students who are ready to pay it forward! Recipients of this award will be required to spend 15 hours in service each semester. This service can be completed on campus or in the local community. Students must also maintain a minimum cumulative GPA of 2.5.
Number of awards: 30+
Value of each award: $1000

Armed Forces Communications and Electronics Association (AFCEA) Scholarship
These outstanding awards are offered on behalf of the Armed Forces Communications and Electronics Association (AFCEA). Recipients of this award must be enrolled in an Associate of Science (A.S.) degree and plan to major in engineering, computer science, information technology, or another STEM field. Students who are awarded this scholarship must attend the AFCEA awards luncheon in Tyson’s Corner in October. Preference will be given to students enrolling full time, with exceptions considered on a case-by-case basis.
Number of awards offered: 12+
Value of each award: $2000

Jack Kent Cooke Foundation Scholarship – Pathway to the Baccalaureate
The Jack Kent Cooke Foundation has long been one of the biggest supporters of the Pathway to the Baccalaureate program. These awards are renewable for a maximum of four years, provided students continue to enroll full time and maintain a 2.75 GPA. Students must be enrolled in an Associate of Arts (A.A.) or Associate of Science (A.S.) program. Students working toward STEM careers (engineering, computer science, information technology, and science), and students who are graduates of Loudoun County Public Schools and/or attend the Loudoun Campus of NOVA are especially encouraged to apply.
Number of awards offered: To be determined
Value of each award: $2000-2500 [STEM majors will earn extra]

To Apply: Visit http://blogs.nvcc.edu/pathway and click on the scholarships link.

Deadline for Application: 5:00 PM, June 16, 2014.
Applications received after the deadline will be considered on a case-by-case basis if scholarship monies are still available. Financial aid (FAFSA or ANA) must also be submitted by June 21st. Students not eligible to complete the FAFSA must complete the ANA.
