1. Scope

This policy applies to all faculty, staff, students, contractors, and visitors entering campus buildings, on campus grounds, on college property or attending college-sponsored events.

2. Policy

It is the policy of the College to promote a safe learning and working environment for all college locations by minimizing the risk of violence by use of a weapon. Possession or carrying of any weapon by any person, except a police officer, is prohibited on college property in academic buildings, administrative office buildings, student centers, child care centers, dining facilities and places of like kind where people congregate, or while attending any college-sponsored sporting, entertainment or educational events. Entry upon the aforementioned college property in violation of this prohibition is expressly forbidden.

Faculty, staff, and students may not possess or carry any weapon anywhere on college property, with the following exceptions.

Exceptions:

- a. Current sworn and certified local, state, and federal law enforcement officers with proper identification, may possess or carry a weapon on college property, inside all campus buildings, and at all campus events.
- b. Faculty, staff, and students may secure unloaded handguns, rifles, and shotguns in a compartment or container of parked vehicles. Faculty, staff, and students who wish to secure a handgun in their vehicle must possess a valid concealed handgun permit. The compartment or

container may be a trunk or other storage area. At no time shall a weapon to include handguns, rifles and shotguns be visible in plain view while inside a vehicle. Furthermore, at no time shall faculty, staff and students possess the weapon (except while in their vehicle) while on college property.

- c. Visitors and contractors may secure weapons to include handguns, rifles, and shotguns in parked vehicles. Visitors and contractors are encouraged to secure weapons in the trunk of vehicles or otherwise out of sight of passersby. If visitors and contractors store weapons to include handguns, rifles and shotguns in a parked vehicle, the weapon must be secured in a compartment or container inside the vehicle. Furthermore, at no time shall contractors possess the weapon (except while in their vehicle) while on college property.
- d. The Chief of the college police department or designee may authorize in writing a person to possess, store, or use a weapon: (i) when used for educational or artistic instruction, display, parade, or ceremony sponsored or approved by the college (unloaded or disabled only and with other specified safeguards, if appropriate); or (ii) for any college-approved training, course, or class. Because of the seriousness of the request to bring a weapon the following will be required for authorization. Thirty days prior to the date requested, a written request must be received by the Chief of Police. The written request must have been already approved by the requestor's Dean/Provost or as appropriate Director/Vice President or will result in an automatic denial. Each request will be considered in totality of other on-going events and circumstances for the specific request. As such, each request must contain the date and times, reason, location, audience, handler of weapon and type of weapon. Any deviation, to include any change in date, time, reason, location, audience, handler of weapon or type of weapon will require a new submission and approval through the aforementioned procedure. Visitors are required to follow the same protocol except submission may be made directly to the Chief of Police.

If College police observe or receive a report of a violation of this policy, the police will direct the individual to leave the regulated location such as campus building or event immediately. (This includes requiring faculty, staff and students possessing a firearm in open areas to comply.) The individual, including faculty, staff, and students, may secure the weapon inside his or her vehicle and return. In the event the individual fails to comply, campus police will take appropriate action, to include potential arrest

In cases involving an immediate threat of violence, members of the campus community are encouraged to call 911 or College Police at (703) 764-5000 immediately. The College police may make an arrest or take other action as appropriate.

Persons observed on the open grounds of campus (streets, sidewalks, and other open areas on college property) may be asked by the College police to identify his or her relationship with the college to confirm whether a violation of this policy has occurred, (i.e., determine whether the individual is a student, employee, contractor or visitor). If the individual is a visitor who intends to enter a campus building or event where weapons are prohibited, College police shall advise that, pursuant to regulation (Appendix A), it is unlawful to enter such places while possessing or carrying a weapon. The individual shall be advised to secure the weapon inside his or her vehicle prior to entering the building or event. Faculty, staff and students shall be advised of same prohibitions and shall be advised to secure the

weapon inside his or her vehicle prior to entering the building or event or anytime while on College property.
