Car/Van Pool Reserved Parking

Cut costs, avoid parking hassles and Go Green by sharing a ride to campus!

Each of NOVA's six campuses offers premiere parking that may be used by vehicles arriving with a minimum of two occupants.

The following criteria must be met when parking in a car pool or van pool space:

- The vehicle must be registered (see process below) with NOVA Parking and Transportation Services.
- Arrive with a minimum of two occupants in the vehicle (includes driver).
- Vehicles must have a valid permit for the lot where the space is located, unless otherwise posted on signage.

To register a vehicle, send an email to parking@nvcc.edu and include the following information:

- Driver's name and EMPLID
- Plate number(s) of vehicles to be used for car or van pools
 - › Additional vehicles (maximum of three vehicles per permit) may be added to valid permits through your online parking account or by contacting Parking Customer Support at 703-323-3123 or parking@nvcc.edu.
 - › The vehicle must be assigned to a valid permit number or the driver must agree to use the Passport Parking App while parked in the carpool/van pool space.

Commuter Connections

Commuter Connections is a regional network of transportation organizations.

If you live or work in the Metropolitan Washington, D.C. region, **Commuter Connections can provide you with information on all your commute options**, so you can make a smart choice about how you travel to work.

Commuter Connections can also provide you with the best options to get you home in an unexpected emergency.

For further information, visit www.commuterconnections.org.

Metro

The Washington Metropolitan Area Transit Authority (Metro) operates a balanced regional transportation system in the national capital area.

As one of their many rider tools, Metro offers a trip planner that will allow you to find the most efficient and feasible transportation to your destination.

Full-time salaried state employees are eligible to receive tax-free monies for using public transportation to commute to and from work!

This program is applicable in the counties of Arlington, Fairfax, Loudoun, Prince William, Spotsylvania and Stafford and the cities of Alexandria, Fairfax, Falls Church, Fredericksburg, Manassas and Manassas Park.

Employees can enroll in the Commuter Choice program at any time. Initial enrollment forms must be received prior to the 15th of the month for participation the following month.

The benefit amount must be equal to the actual cost of commuting, up to the maximum of \$265 per month.

Employees cannot have a NOVA parking permit while participating in the Commuter Choice Program. However, in case an employee enrolled in the program must drive to work, employees are allotted four daily passes per month.

Employees can switch from the Commuter Program back to parking, or vice versa, with proper notification. However, changes in enrollment choices will be limited to two events per calendar year.
