

STEM CAMPS 23

Waitlist Policy

If the session is full, a waitlist will be generated. You will not be charged any fees for joining the waitlist, however, payment will be due upon acceptance if a spot opens up. A team member from NOVA SySTEMic will contact you if there is an opening in the session. There will be a quick turnaround (within 24 hours) for accepting the open spot from the waitlist. As soon as a spot opens up, the first one on the waitlist will be asked to join the session. The waitlist is on a first come first served basis.

Cancellation Policy

Camp registration fees are refundable until two weeks before first day of camp minus a 16% cancellation fee. Cancellation occurring within two weeks before first day of camp may be granted a partial refund. There are NO refunds for any cancellations in the 7 days before first day of camp.
