Google+
Google Plus is a social networking platform for sharing information, images, videos, and other digital content with other Google Plus users.

Creating an Account:
- Visit [https://plus.google.com/](https://plus.google.com/)
- Sign in with your Gmail account credentials (If you do not have a Gmail account, click on Create an account to create one)
Google+ Interface:

1. Search for people, pages, or post using the Google+ search box
2. Use the options on this section to change your profile settings, navigate to other Google Apps, view your notifications, and log out of your account
3. Click here to navigate to your homepage, view your events, manage you hangouts etc.
4. Use this section to add posts
5. Use this section to start a Hangouts session with your Google+ contacts
6. This section displays your posts as well as feeds from other pages or people that you are following.
Adding a Post:
- In the “Share what’s new” textbox, click on the desired option to add a post. You can add a text post, photos, links, videos, events, and polls.

Uploading Images:
- In the “Share what’s new” textbox, click on Photos.
- Click on Upload from Computer to select files from your computer.
- After selecting your images, you may add a caption or click Done to finish.
• You can add more than one image
• Once finished adding all your images, add a comment (optional) and click on Share button

Searching for Friends:
• To search for people, simply type their name on the Google+ search box or click on Add People icon

• You can add people from your Gmail account or your other email accounts
Following Others:
- Search for the person or page that you would like to follow
- Click on the name of the desired profile and click on Follow button

“Liking” or Sharing Posts:
- Press the plus button to like a post and the Share icon to share the post with others

Adding Comments:
- Type your comment in the “Add a comment” textbox located below the post
- Click on Post Comment button when finished
