Introduction:
Pinterest is a personal media platform enabling its users to create Pinboards and add anything that interests them by pinning it to their Pinboards. They can pin items from websites, Pinterest pages, or upload their own media files.

Creating an Account:
- Visit: www.pinterest.com
- Sign in with your Facebook account or create a new account by entering your email address and a password. Click Sign up to continue
- Enter any other information that is requested and click on Come on in
- Select the topics that you are interested in and click on Follow
- Do not forget to open your email and verify your account
Pinterest Interface:

1. Click here to navigate to your feeds page
2. Search for people or pages using the Pinterest search box
3. Click on your name to go to your profile settings and Pinboards
4. Click here to view your recent news and messages
5. Click here to find and invite friends
6. Click on an item to view the sharing options. You can:
   a. Pin an item to your Pinboard
   b. Share it with friends
   c. “Like” it
7. View your feeds here

8. Use The Pin Button to upload a Pin, add a Pin from a website, or create a Pinboard.

Use the help button to view help topics on using Pinterest
Profile Interface:

1. Click on Edit Profile button to edit your profile settings and click on the settings wheel to change your account settings or to log out
2. This menu displays your total Pinboards, Pins, Likes, followers, and followings. Click on each option to view more details
3. Click here to create a new Pinboard. Fill out information about your new Pinboard and click OK to create it.
4. Click on your previously created boards to view their content or click Edit to edit the board settings

Following a Page:
1. Search for the desired topic using the Pinterest search box
2. Click on Boards
3. Click on Follow button located at the bottom of the desired board
Adding Comments:

- Write your comment in the text box located below the desired post
Find People:
1. Search for the person’s name on the search box
2. Click on Pinners
3. Click on Follow button located below the desired person

- You can also invite your friends from your Facebook, Yahoo, and Gmail accounts by clicking on Invite Friends on the top left corner of the screen
- Select the account that you want to connect with (Gmail, Yahoo, or Facebook) and type your account credentials to connect
• You can also type the person’s email address on the invites textbox and click on **Send Invite** to send them an invitation

**Create Posts:**
- Go to your profile page
- Click **Create a Board**

• Write the name of your board, type a description, and select a category for your board
• Click **Create Board**
You can then add pins to your boards
- Click on **Add a Pin**

You can add a pin from your computer or any website
- To add a pin from your computer, click on **Your Computer**
- Click on **Choose Image** to navigate to file
• Select the board that you would like to add the pin into and type a description. Then click on **Pin it**

You can edit your pin anytime by clicking on the board that you added your pin to and clicking the edit button located at the top right corner of the desired pin.
