Twitter
Twitter is a social networking service enabling its users to post short comments (140 characters or less) called “tweets” and share it with their followers.

Creating an Account:
- Visit [www.twitter.com](http://www.twitter.com)
- Fill out the information under the signup section and click **Sign up for Twitter** to create a new account

Twitter Interface:
1. The top menu includes the following options:
   a. **Home**: Click here to navigate to your Twitter home page
   b. **Notifications**: Click here to view your notifications
   c. **Messages**: Click here to view/send private messages
   d. **#Discover**: Click here to discover tweets of users that you are not following
   e. **Search Twitter**: Use this search box to search for people, pages, or tweets
   f. **Profile and Settings**: Click on your profile picture to view/change your account settings
   g. **Tweet**: Click here to compose a tweet

2. This area displays your current avatar, Twitter name, total tweets, and number of users that you are following. Click on each item to view more details

3. This section displays the current trends.
   a. Click **Change** to tailor the trends based on your location and other preferences
   b. Click on each hash tag subject to view all tweets related to that topic

4. This section displays recommended users for you to follow

5. This section displays your twitter feeds (your tweets and the tweets of users that you are following)

** Following Others **
- Search for the person that you are looking for using the Twitter search box
- Click on **Follow** button to follow them

** Composing a Tweet:**
- Click on **Tweet** button on top right corner of the screen
- Write your tweet on the textbox. You can also post a link by simply copying and pasting the link in the tweet textbox.
- Click on **Add Photo** button to add an image
• Click **Tweet** when finished to post your tweet

![Compose new Tweet](image)

**Like or Comment on others Tweets:**

![Tweet](image)

• Click on the **Reply** icon to reply to a tweet
• Click on **Retweet** icon to retweet a tweet
• Click on the **Star** icon to like/favorite a tweet
• Click on **More** icon to view more options (i.e. embed tweet, block or report)
