Workforce Financial Assistance

Overview and Policy...

What is FANTIC?

Workforce Financial Assistance (FANTIC) provides funding for students demonstrating the required financial need who desire to enroll in an approved FastForward training program leading to the attainment of an industry-recognized credential or licensure and are not eligible for other funding grants or financial assistance. Applicants will be awarded on a first come first served basis and funding shall be used only for approved FastForward programs and related testing. Award amounts are based solely on the program charges. This financial assistance will pay for 80% of the student's cost for the program. Qualified students will be responsible for 20% of the student's portion at the time of registration. Required books and exams may not be included with all programs and may be an additional cost. Funding for the FANTIC program is limited.

NOTE: FANTIC is a subset of FastForward/WCG. FANTIC participants must adhere to the FastForward agreement. Failure to complete the program will result in the student's financial obligation to pay an additional one-third of the overall cost of the program back to the Commonwealth of Virginia.

What is expected?

Participants in FastForward or FANTIC programs are expected to attend at least 90% of all class meetings, satisfactorily complete any requirements set by the instructor and/or program, and sit for the Industry Credential exam. Those that do not pass the class, (for any reason), may not sit for the industry certification exam and will be invoiced and responsible for paying, the second one-third of the overall cost of the class. Those that sit for the Industry Credential exam and fail to pass the exam may take the exam again at their own expense.

NOTE: A student who fails to successfully complete a FANTIC funded FastForward program will be ineligible for additional awards.
